DISPENSERS GROUP

Sample 2

The DISPENSERS GROUP can be set just after the packing lane

- In this case, a TRAYPACK dispenser and a CARDBOARD CLIP inserter are set on a specific takeaway lane. The usual takeaway lane properties are kept.
- On request, the TRAYPACK unit is also able to lay PLASTIC COVER.
- A TRANSLATORY UNIT for ink jet head can be set before or after the dispensers.
- Every dispenser unit is replaceable with an other.
